

## TalkingPoint Photography SESSIONS

### WHAT DO WE OFFER?

Talking Point Photography is a boutique fine art studio which offers a range of portrait sessions custom designed to capture your families legacy from pregnancy, birth, childhood, debutante, graduation, engagement, marriage and all of lifes celebrations and milestones.

### WHO PHOTOGRAPHS THE SESSIONS?

All sessions are designed and photographed by MULTI State and National AWARD WINNING photographer Michelle Ardle. Michelle has won numerous National and State Accolades including Gold, Silver Distinction, and Silver Awards in the Australian Professional Photography Awards and is published in National publications for her award winning images.

### WHAT ARE YOUR QUALIFICATIONS/ EXPERIENCE?

Aside from her achievements, Michelle is also holds an honours award of Associate Photographer with the Australian Institute of Professional Photographers. She studied at Queensland University of Technology- Double Degree in Visual Art and Education, major in Photography and Printmaking , Diploma of Professional Photography and is educated and experienced in newborn lighting, posing and safety.

### WHAT CAN I EXPECT FROM THE SESSION?

A fun relaxed session, with a focus on capturing your family and their unique qualities, expert lighting, direction and posing, skilful capture, creative unique ideas, patience and compassion and above all else...beautiful timeless memories of the most treasured people in your life.

I look forward to giving you the gift of showcasing your family legacy in your home. Please contact us for more information.
